

**Alaska Republican Party Resolution  
In Appreciation of Scott Elliott Hawkins  
May 18, 2019**

The Alaska Republican Party recognizes and appreciates the many contributions of Scott Elliott Hawkins to the Republican Party and the election of Republicans across Alaska.

Whereas, Scott Hawkins has had a successful private sector career during which he has provided employment and opportunity for advancement to thousands of Alaskans, and

Whereas, Scott recognized that public policy has a great impact on Alaska's economy and that business leaders are well-advised to encourage good policy and discourage those laws and regulations that harm the overall economy, and

Whereas, Scott has contributed his own time, talent, and a significant amount of his treasure to elect Alaskans at the local, state, and national level who support liberty, personal responsibility, and constitutionally grounded laws, and

Whereas, Scott created the Accountability Project, to provide an objectively based "Alaska Business Report Card" that measures the business-friendly votes of legislators and reports their scores to the public, and

Whereas, Scott also created Prosperity Alaska, which later became Alaska Wins in order to encourage the private sector companies of Alaska to engage their employees in their civic duty of being informed voters, and

Whereas, Scott fulfilled a lifelong dream of running for governor in 2018 and won admiration and praise for the decency in which he treated all people on the campaign trail and was further credited for adding tremendous and informed value to the gubernatorial debates, and

Whereas, Scott was a founding member of the Alaska Republican Party's Freedom Club, supporting the party operations and mission,

Therefore, be it resolved that the Alaska Republican Party State Central Committee is grateful for all these efforts and the many other unsung contributions that Scott Hawkins has made to growing the economy of the state of Alaska, financially supporting Republican candidates over his lifetime, and supporting the core mission of the Alaska Republican Party.

Further be it resolved that this citation of appreciation be posted to the Alaska Republican Party website on May 20, 2019.

Glenn Clary, ARP Chairman
